bollywood.Breakfast bar A breakfast bar is a bar
counter that enables access to food items from
across the counter (i.e., it has a panorama
effect) and typically can be used for displaying
and serving food items at breakfast. Most
breakfast bars are placed in front of the kitchen

sink, although some models are placed over the kitchen sink and some are placed directly in the sink. The breakfast bar is often a step from the conventional kitchen countertop that is used at night. History The breakfast bar was made possible by the developments in the kitchen and the functional improvements in the floor plan and fixture. The breakfast bar has a pan
