establishments in Floridaats against each other
before the break, engaging in a punch fight that
leaves both with cuts. Though one is mostly worried
for Travis' well-being, the other is also concerned
about the prospect of a lawsuit against the city.
After the break, Emma comes to the face-off. She
berates the Officer, telling him that he is the reason
Travis was in the cell, and that he is acting like a
bully. She then attacks the officer. The officer
engages in a fight against Emma, who defends

herself with the help of Travis. After the attack, Emma tells Travis to get on his knees and pray. Jackie regains consciousness. The officer is enraged and punches Emma repeatedly. He then

The owner is the audiobook narrator for the American Heritage Set and teaches a class in this recording. At least once a year, he holds a seminar on some aspect of developing audio books. A top overall choice in this book. Read by the author himself. Read by the author himself! This is probably my all time favorite audiobook. Please try to listen to the book, it's worth it. So many details of the program. This is a must for any serious historian. I highly recommend it. Read more > This is an amazing book, but I'm afraid it may be too old to be considered in the audiobook contest. It was published in 1969, and if the contest is currently limited to audio books published after 2000, then yes it is too old. Even so, this is one of the most interesting books I've ever read and an absolute

classic of time travel writings. I highly recommend it to anyone looking for some entertainment, adventure, and inspiration. I read this book in my early twenties, when it was first
