=====You can either play as a single player (only one character) or as up to three players (only three characters) in coop mode. However, there is only a single character you can play as in single player. You can choose which of the characters to play as (Red, Green, Blue) in coop mode. Player 1 (Red): If you're playing as a single player, you will see Player 1's character on the screen. Player 2 (Green) and Player 3 (Blue) are invisible for the single player. Player 1 (Red): He will help you to escape from the building. After you've found the fuses, he'll attack the monster together with you. Player 2 (Green): He will get killed if you fall into the pit. He's not in any of the missions. Player 3 (Blue): He is invisible to you. But he is crucial for helping you to reach the exit. He can find the blue fuses. But his progress is really slow. Player 2 (Green): If you're playing as a single player, you have to wait for Player 3 to get his fuses (green fuses). If he didn't have them, he will help you to get the fuses. Player 1 (Red): He needs to check the green fuses. When he did, he'll look for the blue fuses. Player 2 (Green): If you're playing as a single player, the game pauses. Then the monster appears. It starts to attack you and the player 1. Player 3 (Blue): He must be patient. He just needs to wait until the game resumes. He'll get all his green fuses. Then he will look for the blue fuses. And then he has to wait again until the game resumes. Player 2 (Green): As soon as the player 3 finished getting his green fuses, he goes to look for the blue fuses. Then the game resumes. Player 1 (Red): The game pauses again. Player 3 (Blue): He looks for the blue fuses. The game resumes again. Player 2 (Green): The game pauses. The monster appears. Player 3 (Blue) dies instantly. Player 1 (Red): Now the monster is attacking Player 1. But player 1 isn't feeling scared because he's a single player. Player 2 (Green): He can't help you. Player 3 (Blue) is invisible to you. But you need him for escaping. Player 1 (Red): The monster is

## **What's new:**

**Jam: FestiVIP Edition | Detroit** It's been a while since I've participated in the FestiVIP edition of The Truck Jam so I was excited to get back out there, but when I'm asked to conduct a FestiVIP class at the Detroit Oregon Festival, you can bet I'm going to do my homework. The event had more trucks, vendors, and great people than ever before. The outside shows off a new look for the event with new events, additional activities and fan events. Inside, attendees had an opportunity to tour a Ford F-150 and an LAV3 that are part of the official FestiVIP presented by Jeep shows. They had a glimpse of the new Ford F-550 and a Fiat truck thanks to Dave Alexander of the Allegro Truck and Bus Corporation. Bruce Goodwin from Specialized Tires was on site to demo and demo attendees could learn about the Continental Indestructible Green Demon Truck. The truck logs over 30,000 miles a year and with its custom paint job on this Ford F-550, this truck will sure put a smile on anyone's face! Patrick from Courtesy Limo offered an intro to Transportation Billing to attendees, and Kelley from the Title Company of Michigan shared all the strategies and knowledge needed to get claims resolved in our area! Logan Jensen of Jagco announced the California and Michigan van meet coming up in October in Chino and Harbor City, CA. I also got to demonstrate the "Truck Driver Bill of Rights - It's Your Right" class and Mike Kichler, Operations Director for the Ford Motor Co. Trucking and Fleet Marketing, was there to address the stage. Mike is a trucking veteran, fleet manager, and Ford trucking marketing representative. It was great to be once again on the ground at one of the best truck shows in the country. The Fremont Winter Truck, although over, was "on-point" with all of the usual Christmas merchandise. The dealers, in my opinion, did an unbelievable job this year and there were some not-to-miss trucks there. As always, the show was fun for the shop guys as well as the gearheads, from the first class at the main stage to the time behind-the-scenes with the vendors. I had a blast.
