Найдено Cosmographer 3 полноценное веб-приложение из серии Cosmographer. Pomona College Reviews Overall: As soon as I entered into the school, I was able to feel comfortable right away. The facilities are amazing and I truly love the environment. I like the campus culture. The students are very involved. There are a lot of different activities students can take part in. Even though I am from the southern U.S. I feel right at home. Academics: It is a small campus where everyone knows everyone. I like that about it. It is a small school and there are many opportunities here. The classes are very challenging. It is easy to make friends with the other students. I think it is a great environment for any student whether it is your first class or you are taking classes for your graduate. Campus Life: The dorms are really nice. The different groups that I am in have been really nice. I have already made a lot of friends with the groups I am in. The relationships I have made with them are great. They are very helpful. Activities: There are many different activities here. I am currently involved in the following: Business club Debate club Study group French club Newspaper Yearbook Writing club Campus Life: The community is very involved. You will have
