This closed beta test version requires basic PS4 system functions. A more in-depth system test will be occurring in the coming days.

It's been rumored that the new Xbox One Elite Controller is delayed. But then some release information was leaked via the preorder page. We even got a look at a mockup.. And it looks more or less the same as the Xbox 360 controller with a couple of cosmetic differences

It's a long time coming, but according to IGN its definitely coming, and its only on the Wii U.

Whether accurate or not, a rumor claiming that Wii U owners are going to be able to trick or treat as well as Nintendo TVii users is exciting news. However, I don't think there's any real substance to this rumor but its just nice that something is new for the Wii U gamepad.

I was really excited to try out Elden Ring, because after seeing all the attention it had been getting, I was eager to see what all the fuss was about. And, to be honest, it exceeded my expectations. Concept and System First, I want to give a brief overview of the system. The combat system is fast-paced and satisfying, the visuals are gorgeous, and the music is epic. It's incredibly fun and makes the game feel like a living world. You get to personally feel the joy of defeating a monster. A story about the Elden Ring Next, I want to talk about the story. In the world of Elden Ring, the mountains that guard the Grand Plains have been destroyed and monsters have shown themselves. The heroes who protect the Lands Between, which serve as an area between the highlands and the plains, have been pushed to the brink. The Elden Ring, one of the most powerful organizations in the world, has established its headquarters on the Grand Plains. The twisted spirit of the enemy which sought to destroy the Elden Ring has left behind a curse: the fate of the players who enter the Elden Ring—they will become its slaves and nothing more, and their memories will be wiped out. The condition of players that enter the Elden Ring is to make a contract with the Ring's leader to collect energy to energize their weapons. This contract is known as the "Elden Ring Contract," which is what many people call "joining the Elden Ring." As long as your contract is over, you will be a slave to the Elden Ring. The game starts with you being a slave of the Elden Ring, but when your contract is complete, you will be allowed to forge a new future. Elden Ring is a visual novel in which many characters are involved, but I would say it's a fantasy action RPG. The story is highly cinematic, so it kind of feels like an anime. Its setting is detailed and fleshed-out, and with its diverse characters, it's easy to grasp. Story of the Elden Ring The first Elden Ring began their journey of conquest thousands of years ago. It was an ancient organization that had gone on ahead and had met with the head bff6bb2d33

Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Create Your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. OVERVIEW The Lands Between is a beautiful world in which the lands of two different races, the Elden and the Korsa, meet. A number of stories are connected in a multilayered narrative. While you continue the story of your character, you can also search for objectives in real time. In addition, for a little more incentive, you can also undertake trials and customize the character of your individual dog. In order to display your skills, at the end of the game, you must pass through the test "Trial of the Elden Ring". The trial is a battle where the opposing teams of the Elden and the Korsa battle, and the winner is the one who is victorious in the entire trial. Game Content Over 20 single-player and multi-player quests, including a first-ever exclusive story. In addition, there are five trials to experience the Tarnished, the strongest in the world. The first trial is the trial of the Elden Ring, where you fight a trial with your teams against each other to achieve your victory in the entire trial. Over 80 of the most detailed and diverse dungeons, where you have the opportunity to find items and skills that will help you fulfill your goal of becoming the strongest. In addition, various purposes are provided as side quests, to offer a unique opportunity for fun. OVERVIEW Rise, Tarnished and be guided by Grace!

Tarnished Lance Games Fri, 30 Jun 2018 17:19:00 +0000

Tarnished Lance Games, an independent game developer from Canada, launched the latest update for its fantasy role-playing game, Elden Ring. The latest batch of updates included PvP battles and the ability to customize the appearance of your character. The game is available for free download on Google Play and iOS.

As previously posted, the game was heavily inspired by the 1992 fantasy novel, 'Three Hearts and Three Lions'. The fantasy role-playing game utilizes a unique multiplayer element where, while exploring the world, you can interact with other players. You can also play in a PvP mode where you enter into a duel with other players to eliminate the other first. As always, the goal of the game is to seek out the treasures hidden on the
