HP 41c Owners Handbook user guide pdf 2. Choose a sub menu for best access. We recommend that you do not use cursors to operate the equipment. Our handbook is fully illustrated and is easily understood by the most experienced user. Having the handbook with you is essential. Manufacturers and distributors often post similar pamphlets for reference. However, our handbook has been printed from original text and is substantially more detailed than the others. Refer to the manufacturer's data sheet for other information. Where appropriate, you should wear work-appropriate safety equipment. Some of the safety precautions are covered in the handbook, but for others you should refer to safety instructions supplied by the manufacturers. If you have not been given specific safety instructions, you should follow your employer's safety rules or standard operating procedures. 3.
