## Miscreation: Evolve Your Creature! Free Download

As for the gameplay, it is extremely simple. Most of the time, you will simply have to swipe left or right to move the monster ball and collect as many elements as you can. After that, you will need to step forward to fight the next boss. The action will be immediately followed by the boss' attack, where you will have to defend yourself by clicking on the cursor. This will be enough to pass to the next level. Your goal in Miscreation is simple - evolve your creature as

much as possible, and become the best of the best! Your character is a blob-like creature that can grow by collecting other creatures to form a new form. There are 10 different stages of growth. By the end of each stage, you'll be able to evolve your new form. You can also use the evo-elements (e.g. ears, tails, wings and claws) as you unlock them. Each evolution comes with a different set of evo-elements. Evolve as much as possible to get the highest score and become the most powerful. Evolution is a fun arcade game - customized creatures by
