the dictionary has been redesigned in such a way that the layout of the dictionary is extremely simple to understand. for instance, the pages are completely uniform. the dictionary is organized according to word families, and the page numbers are in the same location on every page. the pages are numbered consecutively beginning with the first page, and the page numbers are in the same location on every page. this makes it very easy to find any word, and the page numbers are easily identifiable. the longman dictionary of contemporary english is unique in its format, as it has been redesigned to provide both a printed and a cd-rom dictionary. this combined version of the dictionary is the first of its kind, and it is well suited for most users, as it provides students with a dictionary that is compact, light, portable, and easy to carry around. it is also easy to use, and the information is presented in an easily accessible manner. students with minimal computer training can use the cd-rom dictionary, but it is not as easy to use as the printed dictionary, which is the most convenient way to use the dictionary. [-4-] in spite of the differences between the printed and cd-rom versions, the dictionary is very useful for a variety of reasons. the dictionary that comes with the cd-rom version is the complete dictionary, unlike the printed version, which is only part of the dictionary. for example, the printed version is missing entries such as a list of foods and drinks that one would find in a typical household, as well as a list of abbreviations and acronyms.

## Longman Dictionary Of Contemporary English Activator

the activator helps students to build vocabulary quickly and easily by listing words that are related to the word entered. there are three areas of the activator: 1. activator - a cross-referenced thesaurus/dictionary; 2. play - a cross-referenced thesaurus/dictionary based on pronunciation; 3. gloss - a cross-referenced thesaurus/dictionary; 4. list - a list of eight verbs that can be used to build the sentence, this is a dictionary. [-4-] the lce activator (figure 1) is a cross-referenced thesaurus/dictionary. the electronic interface is designed to help students build their vocabulary quickly and remember which words they learned how to use. in this section of the cd-rom, users enter a word into the activator, which will provide four suggested words related to the entered word. the system will provide a page for each of the four words; if the user clicks on a suggested word, the original word is highlighted on the page and the system will link the user to a page of word samples where the user can see the word in context. [-4-] many students have a problem finding the word they want in a dictionary. unfortunately, by the time they find the word in a dictionary, they've forgotten what it means. the activator includes a dictionary and a thesaurus in one, allowing the user to look up the meaning of a word instantly. the dictionary includes related words, while the thesaurus includes related words that include meaning. you can use the activator to look up the definition and synonyms of a word instantly. [-4-] the activator is a versatile and innovative dictionary that will help learners express themselves in the most accurate way possible. the dictionary includes a wide range of words to help students express themselves like native speakers. 5ec8ef588b
